Dear Ms. Salter:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The election cycle-to-date totals for certain entries on your report indicate additional contributions that should have been itemized. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. Additionally, each contribution from a political committee must be itemized, regardless of the amount. Please amend your report to correct the discrepancies in the aggregate totals for: ATLA PAC. (2 U.S.C. §434(b) and 11 CFR §104.3(a)(4))

-Schedule A of your report contains entries for contributions made by more than one person. For contributions made by more than one individual in a single written instrument, you must report the amount attributed to each contributor along with all the required contributor information (full name, address, occupation and employer) in a separate entry for each person. See 11 CFR §§100.12, 104.8(a), (b) and (d)(1) and the Campaign Guide for Congressional Candidates for additional clarification.
